Dear Chairman Martin:

We are writing to let you know what a valuable community partner 92.9 Dave FM is to the Atlanta community.

For the past three years, 92.9 Dave FM has been a sponsor of the Lung Cancer Awareness Run & Walk which raises funds for valuable research for Saint Joseph's Hospital in Atlanta. Lung cancer kills more people than breast and prostate combined and there are very few lung cancer walks and runs across the country. By contributing valuable public service announcements and providing onsite entertainment, 92.9 Dave FM has helped to raise over \$40,000 and provided a "voice" for those suffering from this deadly disease.

We are proud to have 92.9 Dave FM in Atlanta and always look forward to partnering with the station and their outstanding staff.

Sincerely,

Holly Mull
President
